Dear Mr. Comeau:

We are in receipt of your letter dated May 3, 2005 responding to ours of April 29.

The reinsurance contracts at issue were entered into for and on behalf of the Member Companies "as their respective interests may appear". Your letter confirms what Mr. Vitelli previously advised, namely that the Members' interests have changed from that previously advised, to address the insolvency of one Member, Reliance. Reinsurers are entitled to know the new participations and to confirm that all changes were done in accordance with the pool agreement (RIU Constitution). Further, Reinsurers are entitled to documentation to confirm that the Reliance share of losses has been properly accounted for by you and the Member Companies.

Therefore, we again request that you advise the current participation of each pool member, by year. Also, please provide documentation reflecting that the change in members' shares was made pursuant to the RIU Constitution and Rules. In this regard, we again request the minutes of all Executive Committee, annual, or special meetings wherein the issue of Reliance was discussed, and all correspondence concerning the matter. Please also provide copies of any correspondence to or from Reliance and/or the liquidator related in any way to Reliance's participation in the RIU pool.

Mr. John Comeau

Also, please advise the date of the RIU quarterly billing in which the revised shares were first applied. To the extent that the revised shares applied to the individual claims/payments at different times, please provide this information per claims/payment. Please confirm that all participating members have actually paid the Reliance shares.

Thank you for your attention to this matter.

Very truly yours,

Mendes & Mount, LLP
